City of Liberty to Allow Sale of To-Go Alcoholic Drinks During Missouri Social Distancing Order

LIBERTY, Mo. – Effective April 1, restaurants licensed to sell alcoholic beverages within the City of Liberty will be temporarily permitted to sell them for take-home consumption.

All to-go drinks must be in their original packaging. Open-container laws still apply, so drinks must remain sealed until the customer arrives at their home or final destination. As always, don't drink and drive!

This is consistent with the Missouri Department of Health and Senior Services Social Distancing Order, permitting the use of drive-thru, pickup or delivery options from restaurants throughout the duration of the order.

This policy will terminate when the Social Distancing Order ends. Questions pertaining to this policy can be directed to Janet Pittman, Deputy City Clerk, by email at jpittman@libertymo.gov.
