Thank you for signing up to participate in a Liberty Parks & Rec (LPR) sports program. As the parent or guardian of a participant in one of our many youth programs, we consider you a big part of our success! The City of Liberty strives to give all those who participate in our programs the best experience possible. In order to do this, we feel it is necessary to establish specific objectives that apply to all sports programs. The objectives we have set forth for our youth sports programs are as follows:

- Strive to provide enjoyment for the participants, coaches and parents
- Contribute to the mental, emotional, physical and social development of the children
- Foster character by teaching participants how to win and how to accept defeat, while continually placing emphasis on fun, sportsmanship and fair play
- Provide an opportunity for parents and children to participate in a leisure activity
- Create a positive learning environment for all those involved
- Provide all children, regardless of skill level, the opportunity to participate as a child with competent, caring adult leadership and guidance
- Treat all children, parents, coaches and staff members with respect and dignity

We strive to provide a safe environment and positive learning experience for all participants and we hope you, as a parents/guardians, will help us achieve these objectives. It should be the common goal of staff, officials, parents, spectators and coaches that participants learn the fundamental skills of sport while making the experience fun and exciting for everyone.

Thank you for giving Liberty Parks & Rec the opportunity to serve you and your child. We look forward to seeing you out at the field!

One coach who has passed a background check must be present at every practice. If neither background checked coaches can make it, the practice will be canceled. Please see the full Background Check Policy on page 14.

### PRACTICES

Practices should be fun and informative. The skills we teach them in practice should transpire in games.

### LEAGUE SCHEDULE

All sports league schedules can be found online through TeamSideline. Schedules are live online two weeks before the first games begin. With inclement weather occurring during outdoor sports, we recommend that you do not print out a schedule, as they are subject to change. All games canceled due to rain outs will be rescheduled within two business days after the rainout occurs.

## SPORTSMANSHIP PROGRAM

Sportsmanship is the cornerstone of the Liberty Parks & Rec youth sports programs. This helps LPR ensure that sports and sporting events are safe, empowering environments for our students to play and grow.

### CORE VALUES

(Liberty Parks & Rec Cares)

- C ommunity health & wellness
- A ccountability to our community and patrons
- R esources, respect, efficiency & development
- E ngaged & effective government & citizenry
- S tewards of the cultural & natural environment

After each game, both coaches will choose an opposing player whose behavior met or exceeded the sportsmanship expectation of LPR. In doing so, the coach will hand the player an LPR Sportsmanship coin for exemplifying this behavior during the game. This coin can be used at Liberty B&B Theaters to redeem a small popcorn or at Minsky’s Pizza in Liberty for a free mini pizza.

We ask that each player take the sportsmanship pledge before the beginning of the season. Not only do we hold our participants to a high standard, but we also expect this from coaches, parents and fans alike.

### SPORTSMANSHIP PLEDGE

I will play hard, I will play fair.  
 I will play by the rules, and always be aware.  
 I will respect the other team and their coaches and fans too.  
 I will respect the umpires and referees, and their entire crew.  
 I will be a good sport, win or lose. No bad behavior, no excuse.  
 I will show sportsmanship throughout, and my positive attitude will stand out.  
 I will strive to become elite. I will strive to become a class athlete!

## CODE OF CONDUCT

The Code of Conduct will be enforced before, during and after all league and tournament play. All rules will be strictly enforced. The term “individual” includes the following:

- Coach
- Manager
- Player
- Fan
- Parent
- Spectator

A team is responsible for the conduct of its individual players and spectators. Misconduct will result in the penalty of an individual and/or team for all City leagues and tournaments. The term “official” includes the following:

- Umpire
- Scorekeeper
- Field supervisor
- Administrative City Staff

Any encouragement of unsportsmanlike conduct will result in an automatic suspension from game and will also result in communication with administrative city staff.

### DISCIPLINARY PROCEDURES

#### *First Offense*

Youth Sports programmers will reach out to all involved parties (player, parents, coach, director) to discuss the issue and ultimate resolution.

#### *Second Offense*

A two-week suspension from all team activities will be enforced for all involved.

#### *Third Offense*

The person(s) in violation will be suspended from any team involvement for the remainder of the current season.

Any future return to play/involvement will not be guaranteed but will be granted if reconciliation can be reached. Involvement will then be granted on a probationary basis. Any violation during that time may result in dismissal from LPR programs.

If an offense is severe in nature, LPR reserves the right to move directly to the consequences of the second or third offense after which a meeting may take place.

- Will abide by the rules, policies and procedures of the LPR youth sports program.
- Understand that it is a privilege to watch my child participate in youth sports and that privilege can be suspended if my behavior is found to be inconsistent with the expected, acceptable behavior.
- Will use the 24 Hour Rule before I raise an issue with the coach. 24 Hour Rule: If a parent is unhappy with an issue regarding their child or team, LPR strongly recommends waiting 24 hours to discuss the issue. Cooler heads are inevitably more productive.

## BACKGROUND CHECK POLICY

In order to protect all the youth participants in Liberty Parks & Rec programs, we require every volunteer Head Coach and one Assistant Coach in our youth sports programs to complete and pass a background check. LPR will follow the National Recreation and Park Association's recommended guidelines for credentialing volunteers.

- Each team will have one Head Coach who is responsible for passing a background check.
- The Head Coach must be present at the majority of practices.
- Each team will have one Assistant Coach who is responsible for passing a background check.

LPR will be responsible for submitting all background checks and paying for them. The coaches will be responsible for filling out the background check online before they will be allowed to begin coaching the team.

- If a coach does not pass the background check, they will not be allowed to coach the team.
- Roster information with player and parent contact information will not be provided to a coach until they have been approved.
- Please try to attend all scheduled coaches meetings.

These standards are set by LPR for all volunteer coaches in order to keep the youth participants safe at all times.

## COACHING EXPECTATIONS

1. Make the recreation activity fun for everyone. It is a GAME and we want everyone to have fun playing.
2. Respect the rules of the game and those enforcing the rules. Be accepting of the official's decisions and calls. Concentrate on coaching the techniques and skills to the kids, not what the official is calling. They are human and will make some mistakes on their calls but be respectful of their calls as they are trying to do their best.
3. Be early and organized for all practices and games. If you cannot make a practice or a game, communicate to the parents of a practice cancellation.
4. Call, text or e-mail all your players parents within two days of receiving your team roster to let them know when practices will be.
5. Prepare for each practice and game. Have an organized practice plan for each practice.
6. Be good role models for the players and parents of your team.
7. Have a positive attitude and demonstrate sportsmanship to all.
8. Set high standards for your players including playing fair, showing sportsmanship and being respectful to opponents, teammates, officials and themselves.
9. Promote competition, teamwork and working hard. Teach them to compete to reach goals and not just winning the game.
10. Encourage parent involvement with their kids. Encourage them to continue practicing skills at home and have the parents teach them positive character traits they learn through the sport.
11. Concentrate on participant development over winning. Make it a point to try and help each player get better every practice and/or game.
12. Most of all, have fun!

**People interested in coaching must register their children online.**
